

Here is the information and directions for this year's challenge.

PLAY BINGO WITH OUR LITERATURE

Our Fellowship Communication Action Committee wants to encourage our groups to "chair" meetings using our literature and have fun, so we designed a "Bingo Card".

Here are the directions:

1. Chair/Lead a meeting out of our literature
2. Find that piece of literature on the Bingo card (there are two different cards, one for Books and one for Pamphlets).
3. When you get a "BINGO" (a line across, or down, or diagonally), just fill out the bottom of the card and send or bring it to the Fellowship Action Committee.

Cards will be available at the assemblies or you can print you own (in this document). This document can be found at http://www.oregonal-anon.org/area_docs.html .

At the November Assembly we will have a drawing for one big winner....a basket of Al-Anon books for your group.

Play Bingo with your Group. The idea is to read as many different Conference Approved Literature (CAL) pieces you can. Just write the date your chairperson used that piece of CAL on the square that matches and when you have made a line across, up or down, or diagonally, "BINGO". Send or bring to assembly and you will be entered into a drawing to be held at the 2017 November Assembly. The winner receives a CAL basket worth \$85.00. You can play 2 different cards. One bingo card for CAL Books and one for CAL Pamphlets. Remember you can play Bingo all year long and enter as many Bingo cards as you can.
