Things to keep in mind:

- Groups must meet at the registered day and time in order to post temporary electronic meeting links online
- Tradition 6: Our Family Groups ought never endorse, finance or lend our name to any outside enterprise, lest problems of money, property and prestige divert us from our primary spiritual aim. Although a separate entity, we should always co-operate with Alcoholics Anonymous
- Mail is still going out – are you getting it? You may want to consider updating the CMA for your group to ensure you are not missing communications from WSO, Area, and Information Services

As groups return to face-to-face meetings, the temporary electronic meeting information will be removed online. If a group decides to use an electronic platform while also meeting face-to-face, the group's conscience should reflect the spiritual principles of the Twelve Traditions.

**Please encourage your groups to check what meeting information is currently listed on [oregonal-anon.org](https://al-anon.org)**
